B&B for D.O.G. - Changing the Landscape by providing "Dog Days of Summer" 365 Days a Year!

B&B for D.O.G. - Changing the Landscape by providing "Dog Days of Summer" 365 Days a Year!

Established in 1995, B&B for D.O.G. was the first combination Daycare/ Boarding facility for dogs in the State of Colorado. Helping to set the bar for doggie daycare and boarding services, it's now celebrating 13 years of success in the Denver metro area. Offering daycare, boarding and full service grooming, B&B for D.O.G. welcomes both large and small breeds. It is located at 10 S. Potomac Street (I-225 & Alameda) conveniently located on the way to DIA. B&B for D.O.G. caters to busy lifestyles, including the airport traveler, by being open 7 days/week with pick up every night until 9pm (including holidays).

Always striving to lead the pack, B&B for D.O.G. added synthetic turf to its line up of dog friendly features. "It is rewarding to see the dogs as they interact on this new surface", states owner Robin Schoh. "It's very pet friendly and the dogs love it...we see an increase in dogs energy levels and wanting to play more due to its cushioning and shock absorbing nature. Also, the added benefit of keeping the dogs cleaner is always appreciated by our customers."

Setting high industry standards and continuing to be a favorite among dog en-

thusiasts are daily goals at the B&B. Schoh, who started her career in health-care administration, is used to safe, clean environments that provide high quality care. After 14 years in Corporate America her position was eliminated and she decided to pursue small business. It was a natural progression to utilize her MBA degree, and background in business, marketing, and operational management with her first love...animals. "Being raised a farm-girl from Iowa, I'm excited to be able to combine my love for business with my love for animals", says Schoh. "We all strive to find our passion...I'm lucky to have found a great industry to focus my energy."

"One of the most rewarding aspects of this business is centered around people interaction and relationships; both from a customer service standpoint, and also our own employees", says Nick Hansen, General Manager. "Our focus is to recruit and retain the very best...our pet friendly staff have many years of experience and truly love what they do", states Hansen. It is important that guests receive high standard of care and a consistent environment. In an industry that typically shows high staff turnover, B&B for D.O.G. is proud to have a very low turnover rate. "We want our customers to see the same friendly faces year after year." This consistency has brought loyal and longtime customers through the door for more than a decade and has helped in winning awards such as *Critics Choice - Best Pet Service*.

Facility highlights include a quarter acre exercise yard and climate controlled indoor suites. Full service grooming is also a popular request as many customers give their canine companions a Day Spa adventure...starting the day with socialization and playtime and then finishing up with a relaxing bath and haircut before going home! Grooming can also be coor-

dinated with overnight stays, sending them home tired and clean.

B&B for D.O.G. is also very active in our community sponsoring many fundraisers and events that focus on animal well-being. "It's important to give back to the community that supports us", says Hansen. You can meet staff members at events such as Lucky Mutt Strut, Furry Scurry, various golf tournaments, and the Mutts & Models Fashion Show. The staff loves to volunteer at these events as they see many familiar faces and also get the opportunity to introduce themselves to new clients.

In Memory - B&B for D.O.G. would also like to pause and take a moment to recognize the loss of a very special and magnificent creature named Casey. Casey was our very first client when we opened in 1995, walking through our doors as a young, vibrant Irish Setter puppy. Casey led the way throughout the past 13 years of laughter and lasting relationships. On February 4, 2008 our Mighty Casey passed away. We will miss his leadership...he will always be the spirit of B&B for D.O.G.

Hours of Operation: Monday - Friday 6:30am - 9:00pm; Saturday & Sunday 7am - 9:00pm
